

Davie Cooper City Amateur Radio Club  
Meeting Summary September 3, 2019

September 3, 2019

Due to the expectation that [Hurricane Dorian](#) (satellite photo next page) would slam into South Florida as a category 4 or 5, the board and offices decided to cancel this meeting.

As it unfolded, Dorian stalled over Grand Bahama and battered them for several days then moved up the coast of the US.

Additionally, two of our leaders are out for severe medical reasons.

Director Pete N8PR had brain surgery to remove a 2” diameter mass. Pete is recovering from the surgery and will start rehabilitation soon, to be followed by radiation and chemo. He will remain in the rehabilitation hospital for now.

President Tom, N8PR had surgery on his neck related to a cancer from two years ago. Tom is not able to speak or swallow at this time. He is undergoing radiation, chemo and rehabilitation as an outpatient.

We sincerely wish our friends Pete & Tom a speedy and full recovery.

Contact information for sending them cards (QSL cards included), prayers and well wishes will be on our web site landing page.

Submitted by Rich WB4EHG, Secretary.
