

## DCARC Meeting Plan

---

2022-11-14 Updated to include times and FCC testing

2022-11-15 Updated to include the mini free flea

### **Background:**

After losing the meeting room at the Blue Moon Diner and while searching for another free location, we have come to realize that we are always in the position of reacting to the location's whim, we have no control over when, where, how long and what we can do.

### **What we want:**

We believe that active participation in ham events, constant learning by exposure to new ham technology and building friendships among our members is critical for advancement both of our members and of the club.

We believe these events accomplish these desires:

- Weekly on-air net
- Monthly FCC testing
- Monthly in-person socialization, presentation and training event
- Monthly business meeting

Our solution is this:

- (Almost) Weekly on-air net
  - **2m/70cm net on the 1<sup>st</sup>, 2<sup>nd</sup>, 4<sup>th</sup>, and 5<sup>th</sup> Thursday nights at 1930ET (but NOT the 3<sup>rd</sup> Thursday)**
- Monthly business meeting via Zoom
  - **3<sup>rd</sup> Thursday at 1930ET** (so no FM net this night but **will** have SSB roundtable)
- Monthly board meeting
  - **1<sup>st</sup> Friday at 1200ET at the Falcon Pub**
- Monthly FCC testing
  - **3<sup>rd</sup> Sunday of the month at 1400ET at the Club Station**

# Davie Cooper City Amateur Radio Club

## November 15, 2022

- Monthly in-person get together with events and presentations
  - **3<sup>rd</sup> Sunday of the month at 1500ET at the Club Station**
    - The club station is currently located at Fred WB4BAG's farm in Davie. Fred is constructing a new building that is enclosed and air conditioned. He volunteered to let us hold the in-person get togethers and FCC testing there.
- Mini-Free Flea: buy and sell ham and computer equipment
  - **3<sup>rd</sup> Sunday of the month at 1400ET at the Club Station**
- **Food and beverages:**
  - We will work out a plan to have food and beverages at the 3<sup>rd</sup> Sunday get togethers that are separate from club funds
- **Note: You can arrive at the club station anytime after 1300ET on Sundays**

### **Pushback:**

We realize that having the meeting on a Sunday afternoon will interfere with some member's religious and family obligations.

We feel that there will be a problem no matter what day we choose. We are open to suggestions for solving these issues.
