Davie Cooper City Amateur Radio Club BoD Summary December 5, 2025

- Tony W6TNY and Rich WB4EHG to work on it this coming Sunday
- WB4EHG to create the HOA letters to send our congress representatives asking them to support the ARRL sponsored legislation.
- 2025-12-05 Letters complete and ready for signature

➤ **New Business**

- We need to have a log at each station for members who do some operating outside of the operating events we participate in.
 - N3FJP will not share it's log files with other computers and is picky about where that file is stored. It will network between instances on-line at other computers but this doesn't solve our needs.
 - WB4EHG to create a paper log that can be kept at each station. Using one of the logs from our nostalgic past seems appropriate

➤ **Adjournment**

- Meeting adjourned at _____ 1240 _____.
