  - o **"Social Sundays"** (Fred WB4BAG)
    - The third Sunday is coming up. VE testing.
  - o **Highlights of Recent Board Actions**
    - Have 101 members
    - Testing results: no candidates
    - Passed resolution to budget $300 for Field Day food.
    - Rich Bardons KQ4JKQ was made trailer manager
    - $20 donated by Mike New N1NEW to cover the cost for the Broadview Park Flea mkt on June 21st. Still need volunteers to man a table and tent.
    - Agreed to promote 13 Colonies event the weekend of July 5-6.
      - We can use the club call from home with the Trustee's prior permission.
    - Agreed to promote involvement in ARES/RACES.
    - Discussed how only individual members attend the picnic. It is a family event, but families don't attend.
  - o **We still need to promote "activities"**
    - Programming VHF/UHF radios?
      - We offer programming anyone's radio with many of the local analog repeaters on Sunday afternoons and at club meetings and events. We cannot program DMR radios.
        - ◆ Before the day we need to know the radio manufacturer and model and if the owner has a programming cable.
      - Rich will add a mention of this on the club's web page

Radio/HT Programming

**We will program your radio or HT
with local repeater frequencies**

Contact us via email here with
- **Radio brand & model**
- **Do you have the cable?**
- **Your email address**
- **What Sunday or event will
  you attend?**

We will reply to your email with verification

- Jeff will donate a cable that is used by many radios
- Scheduling "HF radio help" at the station?
  - Use the station in the building for new operators

➢ **Old Business**
  - o

➢ **New Business**
  - o Field Day
    - Jeff talked about how to get non-HF operators to get on the air.
    - Let operators sign up for blocks of time – to operate any time in that block.
      - Fred & I will work on a sign up topology ← done link

➢ **Anything else for the good of the club?**
